Learning Style Quiz

Quick Quiz: What Type of Learner Are You?

Instructions: Check the box that best matches you for each question. Then count your answers to see your learning style.

1. When you're learning something new, you prefer to:

- A. ☐ Watch a video, diagram, or chart
- B. ☐ Listen to someone explain
- C. ☐ Try it yourself with hands-on practice

2. In class, you remember best when:

- A. ☐ The teacher uses pictures or writes things on the board
- B. ☐ You can hear examples and explanations
- C. ☐ You do an experiment, project, or activity

3. When studying for a test, you like to:

- A. ☐ Use flashcards, mind maps, or color-coded notes
- B. ☐ Read your notes out loud or listen to recordings
- C. ☐ Build models, do practice problems, or walk around while reviewing

4. If someone gives you directions, you'd rather:

- A. ☐ See a map or written instructions
- B. ☐ Hear the directions explained step by step
- C. ☐ Just start moving and figure it out as you go

5. Your favorite type of class activity is:

- A. ☐ Looking at charts, slides, or videos
- B. ☐ Group discussions or lectures
- C. ☐ Labs, role-playing, or building something

Scoring
